ARRA Grant-Funded 2010-2011 Saturday Academy Cycle 1 Summary Report

January 3, 2011

To the Monroe Township Community:

Cycle 1 of the ARRA Grant Funded Saturday Academy at Monroe Township High School concluded on December 18, 2010 with data in addition to feedback from staff and students supporting that it was an overall success.

In an effort to share the Academy experience with the community, the Saturday Academy staff developed a summary report in the form of a PDF file that is located adjacent to this letter. The report includes the following sections:

- Cover Sheet
- Cycle 1 Overview
- Student Survey Data
- Assessment Rubric
- Math, Science, Language Arts, and Social Studies Lesson Plans and Examples of Student Work

We look forward to Cycle 2 of the Saturday Academy beginning on January 8, 2011 which will include a component of standardized test preparation to engender confidence in the students when taking the upcoming state mandated assessments in Mathematics, Language Arts, and Science.

Thank you for supporting the Saturday Academy and the education of our students.

Sincerely,

**Scott Madreperla, MTHS Assistant Principal
MTHS Saturday Academy Program Coordinator**
