Event Labor Rates and Guidelines: Monroe Township Board of Education

For event dates occurring between July 1st, 2021 and July 1, 2022 at Monroe Township High School and Middle School.

Stagehand/ General Labor	\$ 45.00 per hour, 6 hours minimum billing
Audio Engineer/Console Operator	\$ 65.00 per hour, 10 hours minimum billing
Audio Assistant	\$ 50.00 per hour, 10 hours minimum billing
Instrument/ Band Backline Technician	\$ 50.00 per hour, 10 hours minimum billing
Lighting Designer/ Console Operator	\$ 65.00 per hour, 10 hours minimum billing
Lighting Assistant	\$ 50.00 per hour, 10 hours minimum billing

Stagehand/ General Labor will be billed at a six-hour minimum. All other positions will be billed at a ten-hour minimum.

Overtime for each position is billed after ten hours on site at 1.5 times the standard hourly rate.

For the initial setup of an event, no less than two hours of labor (**and venue access**) is required for setup and testing prior to any rehearsals, soundchecks or venue opening to audience members.

Following an event conclusion and audience departure, no less than one hour of labor (**and venue access**) is required to restore installed equipment to the configuration found prior to the event.

*****Event labor quotes and invoices will include a \$50.00 fee for consumable and technician supplies.*****

For events with the playback of pre-recorded music, videos or multi-media content:

- The client must provide personnel to direct/ cue equipment operators during rehearsals and performances.
- Audio content must edited/ trimmed to performance length in advance and provided on either:

Compact disc or CD-R (in audio format), with backup copy or playback device (iPod/tablet/laptop) with 1/8" auxiliary audio connection/adaptor. **The client must provide an operator for the playback device for rehearsals and performances.**

Audio editing services are available in advance of event dates.

- Video content and graphics/slides must edited/formatted in prior to arrival at the venue and provided on a playback device (tablet/laptop) with 1/8" auxiliary audio connection/adaptor and HDMI output/HDMI adapter. **The client must provide an operator for the playback device for rehearsals and performances.**
