Unless otherwise indicated, the District Performance Review indicators will be used to evaluate conditions and performance in the district over the preceding three year period. This section of the DPR is divided into six sections labeled A-F. Section A-D must be completed by all districts. Section E applies only to those districts having early childhood programs. Section F applies only to those districts with one or more high schools. In order to attain points, the district must answer "ves" to each numbered indicator or block of indicators. Partial points are not awarded.

			SCORING	ì	

To calculate your score on the DPR:

STEP I

Check which configuration applies to your district.

STEP II

Make sure you have completed all relevant sections for your configuration and enter a score.

STEP III

Divide the total possible points for your configuration (125,124,123,122,121,109 or 108) into the total points earned in Part I. This is your DPR score.

STEP IV

Look at the points at 80% to determine your district's placement on the continuum
