-Attention Seniors!!!! Due April 1, 2017! The Janet Logan Foundation Scholarship is now available online. Graduating high school seniors from New Jersey enrolling full-time in an accredited university or college within the United States are eligible. Applicants must meet the following criteria: students must have worked an average of 30 hours per week during the summer since the age of 16, actively participate in at least one extracurricular activity, and have a minimum GPA of 2.5. Financial need may be considered when selecting the recipient. Only one high school senior from NJ is chosen but the scholarship is $10,000 annually. Please check out the website for detailed information and the application, if interested: http://janetlogandailyfoundation.org/application.asp

-CentraState Healthcare Foundation is pleased to be able to provide scholarships once again for high school seniors. All the scholarships available (including others that are not specific to high school seniors) can be viewed by visiting our website at https://www.centrastatemflammatory.org/scholarships.

-The 2017 Educational Testing Service Employees’ Community Action Fund (ECAF) Scholarship is now available! This program specifically seeks to help graduating public high school seniors facing hardships, including but not limited to financial need. Scholarships of up to $10,000 will be awarded to selected students who are pursuing a degree from two or four-year accredited colleges/universities or nonprofit vocational/technical institutions in the United States. More details about the scholarship and application can be found at https://aim.applyists.net/ECAFNJ. The deadline to apply is April 21, 2017!

-Are you interested in attending Rutgers University? Any student in high school can create an account at myrutgersfuture.rutgers.edu. MyRutgersFuture is a portal designed to provide you access to resources available at Rutgers University. Create an account to learn about and register for upcoming events, stay connected through announcements and social media feeds, learn about pre-college programs, and explore their academic majors and see your chances of getting into certain programs - all based on your own personalized interests, academics and preferences. You can start to enter your final grades each year of high school if you plan on applying to Rutgers your senior year. It’s a wonderful and free resource to take advantage of!

-We have an exciting scholarship opportunity for college-bound seniors, being offered by New Jersey Relocation Council (NJRC). See the College and Career Counseling Center for more details. Please see the attached information regarding the scholarship and the eligibility requirements. It pertains to high school seniors who have relocated during their high school years from one school to another, at least 50 miles. Their GPA must be 3.0 or higher. The deadline for submission is February 17, 2017. The scholarships will be presented at our spring conference on April 4, 2017 at The Palace at Somerset Park, Somerset, NJ.

-Please see attached press release from the Junior League of Greater Princeton (JLGP) as well as attached Scholarship Application: We are now accepting scholarship applications for 2017. Each
year, the JLGP awards scholarships to female high school seniors who have demonstrated a strong commitment to community service and voluntarism. The two scholarships for which applicants may apply include a $1,000 award for excellence and leadership in ongoing volunteer activities, and a $1,000 award for demonstrated leadership in a single community service volunteer project. Scholarships applications must be received by February 3, 2017. More information can be accessed at jlgp.org.

-Monroe Township Baseball Association Scholarship information: See below information for more detail. See the College and Career Counseling Center for more details.

The MTBA is once again honored and privileged to offer scholarships to HS seniors who are MTBA “alumni” and plan on continuing their education at a 4 year college, 2 year college or trade school.

Attached is the form (in both word and pdf formats) that needs to be completed to be eligible.

Important notes –
#1 – A scholarship recipient does not need to be a HS baseball player, just a current/former member of the MTBA family with a solid academic record and exhibits a strong sense of community and volunteerism...values that have been at least partially instilled by their involvement in the MTBA.
#2 - THE DEADLINE TO GET THE FORM IN IS APRIL 1, 2017.

Dr. Scott Horowitz will be assisting the MTBA Exec Board again this year with the scholarship efforts...thank you Scott! Some of Scott’s responsibilities are:
- delivering the forms to all the HS where former MTBA participants are attending,
- working with the Guidance departments of those schools to get updates,
- keep the MTBA E-Board updated on matters related to the scholarship efforts and,
- gathering all the completed forms to be delivered to the MTBA E-Board for recipient selections in early/mid-April.

The scholarships will be awarded at the Rec Dept. Scholarship Dinner at the Rec Center on Monday, May 15th. Last year we presented a record 10 scholarships to very worthy members of the MTBA family who went on to college. We expect the number of applicants to be very high again this year so we also ask all on this email to help us market/advertise/promote our annual scholarship fundraiser event. The MTBA does not draw upon our general funds to fund the scholarships...all the money available to our scholarships come through fundraising efforts. THIS YEAR’S PRIMARY FUNDRAISER WILL BE A CASINO NIGHT AT FORSEGATE COUNTRY CLUB ON FRIDAY, APRIL 28. We will also be seeking items to be raffled off etc. at the event. So again, all help in promoting the event to make it as successful as possible will be greatly appreciated. Thanks to Mary Loschiavo and Lisa Church for once again coordinating the event. Stay tuned for more info and details.

Tips for high school students

- Take time to think about what you like to do; dream and imagine ideal careers.
- Challenge yourself in high school, but don’t overwhelm yourself.
- Work, volunteer, or otherwise gain some experience.
- Talk with as many adults as possible about careers and colleges.
- Never stop learning… read, grow, and expand your mind.
School Stress: Stimulant Abuse – Kids Know About It but Parents Don’t

(Source: Partnership for Drug-Free Kids)

Many students are stressed out from academic pressure – AP classes, extracurricular activities, homework, college applications, and more. Some think that taking un-prescribed stimulants (medications used to treat ADHD, such as Ritalin and Adderall) – will help them with extra energy to study longer, cram for exams and improve their grades. While prescription stimulants do promote wakefulness, studies have found that they do not enhance learning or thinking ability when taken by people who do not actually have ADHD. And taking these drugs without a prescription can lead to delirium, psychosis or heart failure. What’s most troubling: Many students say it’s easy to get these un-prescribed medications if they want them.

1. 1 in 5 teens believes it’s okay to abuse a prescription drug, as long they weren’t doing so to “get high”.

2. 1 in 5 college students reports abusing prescription stimulants at least once in their lifetime.

3. Students may feel pressure to take un-prescribed stimulants in order to stay competitive.

4. It is often high-achieving students who may engage in taking stimulants.
