HELPING MTHS COMMUNITY SERVICE

Each bag included a variety of delicious treats. The students that assembled the bags were **Caitlin Belko, Sasha Jacques, and Carson Riley** along with **Erica Friedman**, the District Transition Coordinator and Structured Learning Experience Educator and paraprofessionals **Marlene Oskierko** and **Nydia Santiago**. DIVERGENT ECONOMICS

Students in Mrs. Holmes' classes learned about economic concepts and systems by watching the movie *Divergent*. Economic vocabulary and concepts were taught in class and then concrete and abstract connections were made visually by watching the movie. A performance task was assigned to the students that enabled them to use their critical thinking skills, make connections, and provide economic examples from the movie. A homework assignment also accompanied the assignment where students needed to upload a picture or selfie of themselves representing their faction and economic system from the movie and also add an economic explanation.

The following students won for their visual representation and economic explanation:

Block 2A = The winner was **Sidney Graenert** / Honorable mention went to **Christina Albert** and **Dominick Dzietyzyk**
