

GOOGLE MEET Instructions for Parents/Students

Signing in to Google

Step 1. Teachers have access to student usernames and passwords and should print out their network id cards and send them home with students.

Step 2. Go to www.google.com and click sign in at the top right of the webpage. Please use credentials provided by teachers to sign in.

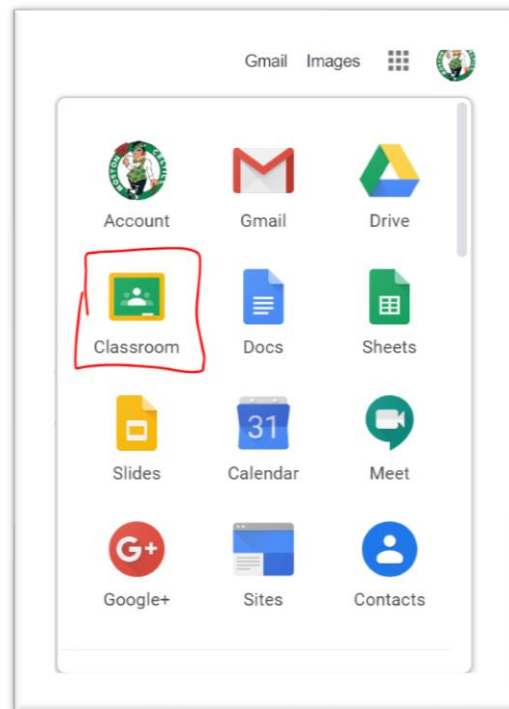

There are 3 options to access and join a google meet session once the student is logged into their google account.

Option 1. Teacher e-mails either the student or the parent the google meet link to access the session.

Step 1. Parents/students just click on the link provided by the teacher and join session.

Option 2. Teacher posts the link or session name in their google classroom.

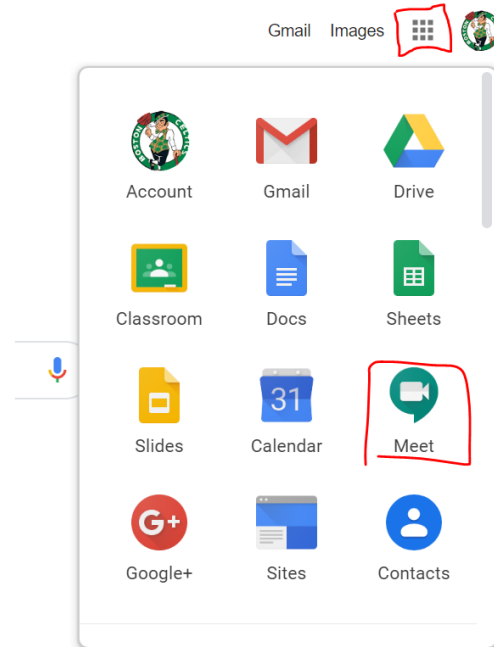

Step 1. With the student logged into google.... Open google classroom. Shown below.

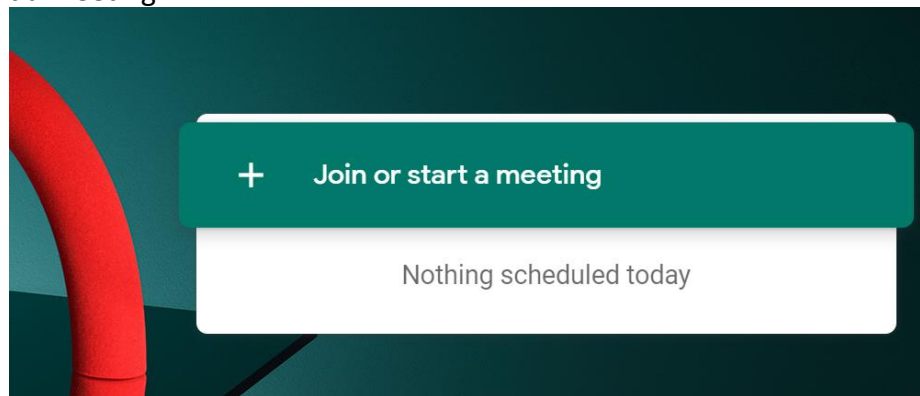

Step 2. Select class. You will be brought to the class page where you can see the teachers post of the link for the Google Meet session. Click on it.

Option 3. Teachers e-mail the **session name** to the parent or student. From here the parent or student will need access Google Meet and enter the session name to join. Steps shown below.

Step 1. At the top right of the screen. Select the square icon, and select Google “Meet”, as shown below.

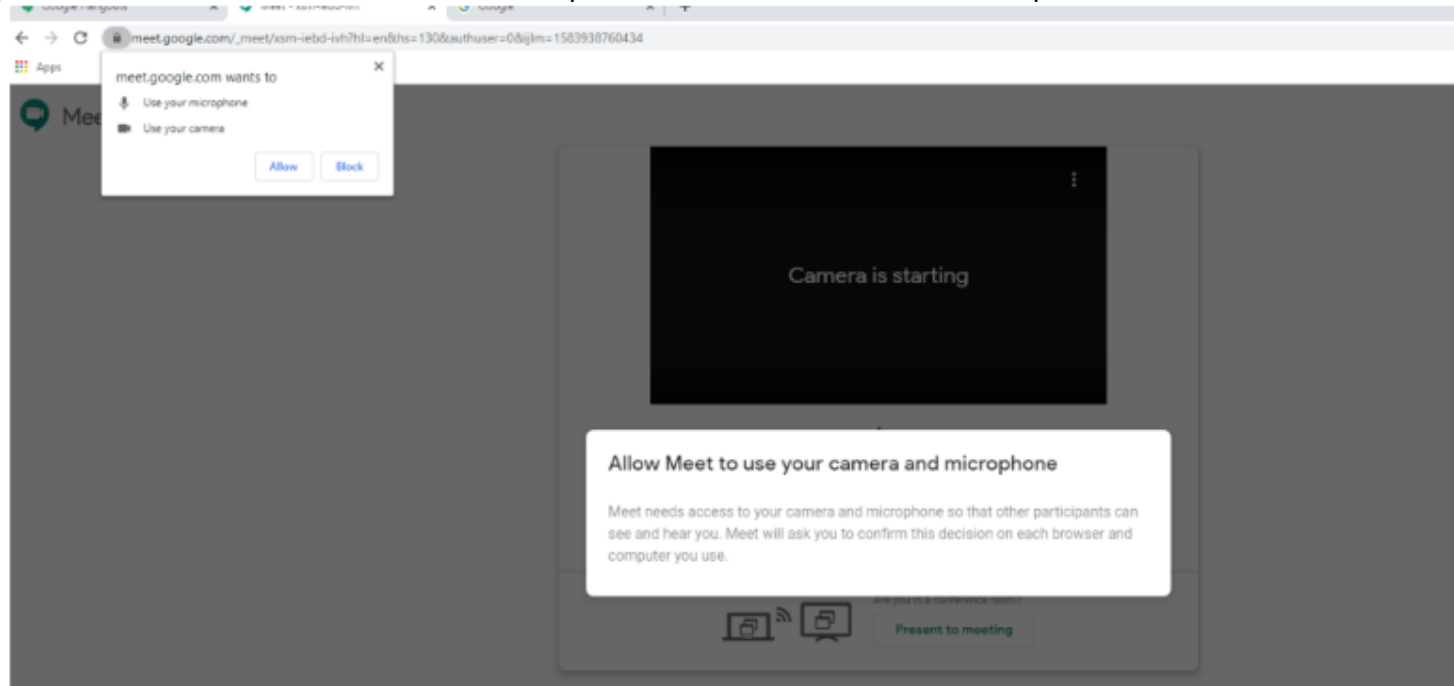

Step 2. Select join or start a meeting

Step 3. Enter the meeting session name/nickname provided by the teacher. (it is case sensitive)

Step 4. Please make sure the camera and microphone are “allowed” to enable adequate communication for instruction.

Step 5. Select join meeting.
