

The Road Back - Monroe Township Fall 2020 Re-Opening Parent Survey

Thank you for participating in our survey. Your feedback is important as we plan for a return to school facilities. As you know, the State of New Jersey and the New Jersey Department of Education released general guidance about when/how schools will return to face-to-face instruction. Your responses to the following questions will be helpful to the district and Reopening Committees as they work throughout the summer to prepare for the safe return of students and staff. Please note that guidance from public health officials and state officials may require the district to implement policies or procedures that differ from stakeholder preferences.

**Please complete one survey for each child currently attending Monroe Township Schools for the 2020-2021 school year.
