

MEET Ms. Arbital

#Selfie

#welcome to fourth

Hi friends, my name is Ms. Arbital. I'm very excited to be your teacher this year! This will be my first year at Applegarth Elementary School as well. Prior to coming to Applegarth Elementary, I taught 2nd grade in Jersey City, New Jersey. I am eager to get to know you all and can't wait to start our year full of learning, laughter, and hard work!
