

DYNAMICS OF ALGEBRA 1

GRADING POLICY

MS. REIFF

HOMEWORK

Homework will be given every night and will be checked every day.

If homework is complete, meaning all problems are done and all work is shown, you receive 10 points.

If homework is incomplete, some problems are not done or the assignment is late, you receive 5 points.

No homework at all, you receive 0 points.

****All work must be shown for credit!**

ATTENDANCE/MISSED CLASS

1. If for any reason, you are not in class (sick, school trip) **YOU** are responsible for making up all homework and class work. A zero will be recorded until you show me the completed work.
2. It is **YOUR** responsibility to get all class notes for that day.

EXTRA HELP

Extra help is always available. Please ask questions when you do not understand something. I am available before and after school to help you!

TESTS/QUIZZES/PROJECTS

Tests:

All tests will be announced and will count twice as much as quizzes.

If you are absent on the day of a quiz or test, you will make up the quiz or test the day you come back, on your own time. A zero will be recorded until the test is made up.

Quizzes:

All quizzes will be announced (no pop quizzes).

Projects:

There will be one project per marking period. When a project is assigned, you will be told if it will count as a quiz or a test grade.
