

Monroe Township School District

Applying Super Bowl weekend to organize youth to fight hunger in the local communities.

SOUPER BOWL

In the weeks leading up to Super Bowl Sunday, students in the district will take up a collection, **BRING IN one can of soup for people in need.** 100% of the donation will directly go to five local food pantries.

Together we can “tackle” hunger and continue to help those in need during the cold, winter months.

Please support the local food pantries or soup kitchen today and help someone in need.

**Together we can really and truly make a
DIFFERENCE**

JANUARY 23 through FEBRUARY 1
