

Number of students: 4

2009-2010

John Allen

Nota para los hispanohablantes: en resumen, la tarea es buscar e investigar artículos en diarios hispanos, por Internet o los que se pueden obtener gratis en todas las comunidades vecinas, como "Nosotros", y escribir resúmenes en Español de los artículos acerca de qué, cómo, cuándo, quién, etc.

### Week 1

**Objective:** Ss will be able to read newspaper articles and be able to analyze each article critically, paying particular attention to the reporter's and the newspapers "slant".

#### Student centered activities

- Ss will access the following on-line media (or any of their choice, as long as the site is Spanish-only) [www.lanacion.com](http://www.lanacion.com), [www.elpais.com](http://www.elpais.com) or [www.bbcmundo.com](http://www.bbcmundo.com). (Ss must not select the same edition of the source)
- Ss will choose articles from each of the major sections of the newspaper or website, such as but not limited to: International news, national news, business, sports, entertainment and culture (arts) and any other section that may be of interest.
- Ss will write a summary of each article in Spanish. I will then error-code their work for corrections and return it back to each student. Ss will review the error codes and re-submit for a grade.
