

## Spanish I Pandemic Lesson Plans

### Week I

Pick any Spanish speaking country and research it. Write a two page (double spaced) paper about that country. Make sure to include:

- Country Name and capital city
- Main imports and exports
- Popular foods
- Any important traditions and/or holidays
- Geography—list any rivers, mountains etc.
- Currency
- Weather

Then, create a poster drawing the country. Being creative, make sure to include the flag, what the country is known for etc.
