

**Action Plans**

**Goal #1 Curriculum and Instruction**

**Goal #2 Community Engagement/Business Partnerships**

**Goal #3 Finance and Facilities**

**Goal #4 Technology and the Arts**

**Goal #5 Communications**

**MONROE TOWNSHIP STRATEGIC PLAN**

**Goal #1 - Curriculum and Instruction**

**Goal:** To collaborate with staff and administration to articulate curriculum across all grades levels, subjects, and schools, providing instruction that is research based, evidence supported, aligned to the common core and integrates technology and character education.

**Objective #1:** Completion of curriculum to align with the Common Core that infuses technology and real world connection and applications into instructional practice.

<b>Major Activities</b>	<b>Staff</b>	<b>Resources</b>	<b>Constraints</b>	<b>Timelines</b>	<b>Indicators of Success</b>	<b>Status Update April 2016</b>
<b>Audit current curriculum documents to determine updates required</b>	Supervisors, curriculum writers and Asst. Superintendent	Current curriculum documents	Time  Updating all curriculum documents to coincide with teacher evaluation and CCSS	Ongoing (Maximum of 5 year cycle)	Current curriculum documents that are less than 5 years old.  Improvement on Teacher Evaluation element indicators – DQ 4 in Domain 1 of Marzano reflects higher level thinking skills and more learner centered activities	Audit for SY 15-16 has been completed.  All documents up for revision have been identified and will be revised Summer 2016.  The curriculum office will be implementing the Atlas curriculum mapping system beginning in the summer 2016.

<p><b>Provide teachers with shared file for each curriculum to enable sharing of best practices</b></p>	<p>Technology dept. Teaching staff Admin.</p>	<p>Access to secure webpages Curriculum documents Best practice exemplars/resources/benchmarks</p>	<p>Time Accurate/Current resources</p>	<p>Ongoing</p>	<p>Shared best practices throughout the district as evidenced through observations and lesson plan review. Complete resource library.</p> <p>Move district to ebackpack for district digital flow of information</p> <p>Using grade level meetings and faculty meetings to review revisions to curriculum Work with the supervisors to ensure that teachers are aware of all updates.</p>	<p>Shared files for content areas are present in Google Drive.</p> <ul style="list-style-type: none"> <li>● Created collaboratively with teachers.</li> <li>● Shared during professional development sessions and collaborative planning meetings</li> <li>● Materials and resources reviewed on an ongoing basis by content supervisors and building leadership</li> </ul>
<p><b>Require lesson plans to include evidence of use of available technology to improve learning and differentiation of instruction.</b></p> <p><b>Provide professional development for staff to identify and share methodologies for infusing technology and real world connections into the curriculum</b></p>	<p>All Staff Admin</p> <p>IT Dept. ## Goal #2 - Community Engagement / Business Partnership

**Goal:** To develop ways to capture the skills and talents of our community and engage our local businesses making our students' learning experiences more diverse and experiential.

**Objective #1:** Actively work with business and community leaders to expand our partnerships and create symbiotic relationships that will benefit our students.

Major Activities	Staff	Resources	Constraints	Timelines	Indicators of Success	Status Update February 2015
<p><b>Convene a committee to work and collaborate on identifying community resources; Create a guide to assist in working with local businesses enabling identification of “friends of the district” who would be willing to provide opportunities such as career internships, financial resources or other experiences that</b></p>	<p>Original Committee members, Saturday Morning Meeting district staff, parents and residents who contributed to the committee. Also the HS Graphics Arts teacher and students who worked with the committee to develop the Community Outreach Resource Guide.</p>	<p>Community Organizations, Local Business, residents and PTA contacts that were willing to provide work opportunities and internships for students.</p>	<p>Although attendance at times was sparse at scheduled committee meetings, members contributed to the degree they could. No constraints were experienced towards the completion of the Resource Guide</p>	<p>Jan-June 2013</p>	<p>Completion of a Community Outreach Resource Guide. The guide would be an updated list (in graphic format like a booklet) of the many organizations and local businesses, PTA contacts and individuals that would be considered “friends” of the school district. These “friends” are willing to establish partnerships with the schools, staff, parents and students to provide internships and work and career opportunities for our students. The Resource guide could be updated annually. Another indicator of success would be the expectation that as students were involved with local business for the completion of academic requirements parents would also take a more active role in their child’s</p>	<p>Resource Guide was completed and is available. Guide will be updated annually.</p> <p>High school students are placed in Work Study ,paid and non paid internships, Job Shadowing, Structured Learning Experience (SLE), Community Service via Senior Option Program.</p>

<p><b>would enrich students’ lives.</b></p>					<p>educational program, and the community.</p>	
<p><b>Develop mechanisms to create symbiotic relationships between businesses and the district that would encourage and support their involvement in educational programs, providing scholarships and support for other student entrepreneurial endeavors.</b></p>	<p>Local Businesses Booster Clubs MTEA MTAA</p>	<p>MEF Local Business Teaching Staff Administrators Private organizations (See Appendix A)</p>	<p>Consistent commitments Outreach Staff</p>	<p>Ongoing</p>	<p>Scholarships Grants School Story Champions of Education Board of Education Meetings Assemblies Email Correspondence</p>	<p>Students are provided scholarships from local businesses and organizations; students have created signs for the Historical Society; and internships are provided by local businesses and organizations.</p> <p>Currently investigating strategies for engaging our alumni to create networks for our students, highlight their successes and possibly support the students through scholarships.</p>
<p><b>Continue to strengthen relationships with established partners such as: Monroe Twp. Public Library, Monroe Twp. Shade Tree Commission, Monroe Twp. Environmental Commission</b></p>	<p>Admin Staff Monroe Twp: - Library - Shade Tree - Environmental</p>	<p>Admin Staff Staff of Monroe Twp. Organizations</p>	<p>Time and logistics for partnered activities</p>	<p>Ongoing</p>	<p>Meetings Class Visits Authentic learning experiences for students Library events for students Articulation/planning sessions</p>	<p>The township Enviromobile and the township Fire House trailer visit schools and provide instruction to elementary students.</p> <p>Monroe Township Library collaborates with several elementary schools in database instruction and library nights.</p> <p>Monroe Township Library offers consulting services as it relates to literature recommendations</p>

						<p>for special projects and summer reading program.</p> <p>Collaboration with township on:</p> <ul style="list-style-type: none"><li>● Annual Arbor Day celebration</li><li>● SustainableNJ Grant (2)</li><li>● Township Green Fair</li><li>● School Gardens</li><li>● Enviromobile</li><li>● Rutgers University Waksman Summer Institute for Scientific Research</li></ul>

### Goal #3 - Finance and Facilities

**Goal: To ensure accurate and timely communication with all stakeholders regarding district finances and to assess current and future facilities needs.**

**Objective #1: Develop and implement communications plan for district finances.**

Major Activities	Staff	Resources	Constraints	Timelines	Indicators of Success	Status Update February 2015
<b>Identify the scope and specifics of information needed to be conveyed; fixed costs, cost comparisons, cost drivers, categorical spending, tax rate analysis and additions/deletions to budget</b>	Superintendent  Business Administrator  Board Finance Committee  Members of the Board of Education	Labor Agreements  State Aid Report  Ratables  Analytical Budget Worksheets  Comprehensive Annual Financial Report	Enrollment Growth  Aging Facilities  State Aid Underfunding	November 2013 - April 2014	Addressing Capital Projects in 5 year Long Range Facility Plan  Planning for referendum  Budget approval at County & State level  Reduce over adequacy	The District has produced a budget that is near final approval which has received more public accolades and has been recognized by the County for many "best practices" unlike any time in the last decade. Planning and the successful efforts of the Business Administrator to create efficiencies was largely responsible for the unique creation of surplus which supplanted the need to raise taxes by \$600,000.
<b>Develop an annual budget calendar to ensure transparency; Convene an annual budget steering committee in September of each year of representative stakeholders</b>	Superintendent  Business Administrator  Principals  Directors	School Story  District Website	State Mandated Budget Deadlines	November 2013 - April 2014	Board adoption of preliminary calendar and a more informed and participative public.	The budget calendar is complete and was largely in part responsible for the increased public interest in the budget process. A portal to immediately answer the public's questions about the budget was established and used.

	Board Finance Committee					
<b>Determine what media to use for communicating financial information</b>	Superintendent Assistant Superintendent Business Administrator	District Website  School Story	Too much information	Ongoing	Public Survey	Website, Public Presentation, Committee presentations.

**Objective #2: To identify the facilities needs of the district through an assessment of each facility and the grounds to insure safe and secure learning environments for students and staff.**

<b>Major Activities</b>	<b>Staff</b>	<b>Resources</b>	<b>Constraints</b>	<b>Timelines</b>	<b>Indicators of Success</b>	<b>Status Update February 2015</b>
<b>Conduct an assessment to establish priorities for maintenance and upkeep for both buildings and grounds</b>	Director of Facilities Superintendent Business Administrator BG&T Committee	Long Range Facility Plan  Rod Grants  Operating Budget  Referendum	Budget Cap  Unlikelihood of success of referendum	Ongoing	Project Completions  Referendum success  Rod Grant Approvals	We included a project costing over a million dollars in the 16/17 budget to replace the Woodland roof and we are well into a Student Growth Advisory Committee to plan for future facility needs based on enrollment growth and degrading facilities..
<b>Establish and implement a schedule of needed maintenance for all buildings and grounds and provide financial resources to adhere to the schedule.</b>	Superintendent  Business Administrator  Director of Facilities	Comprehensive Annual Maintenance Plan  Long Range Facility Plan	Budget	Ongoing	No grievances No regulatory violations Completed projects	A job order process is in place for staff to request minor repairs and improvements to facilities and as mentioned above the subject of the facilities meeting the demands for an increasing student body is being intensely studied by the Student Growth Advisory Committee.

	BG&T Committee					
<b>Conduct a space audit to identify all useable classroom space in each of the building to ensure optimum utilization of all available spaces</b>	AD Hoc Committee Superintendent Business Administrator Director of Facilities	Long Range Facility Plan  Re-Districting Study	Budget  Unlikelihood of successfully passing a referendum	Ongoing	NJ Department of Education approval	This is being studied as part of the Student Growth Advisory Committee.

## Goal #4 – Technology and the Arts

**Goal:** To explore the implementation of virtual learning PreK-12 to increase exposure and use of technology and to expand opportunities for students in the “arts.”

**Objective #1:** Acquire the technological devices necessary to support the transition to a virtual environment – PreK to 12<sup>th</sup> grade

Major Activities	Staff	Resources	Constraints	Timelines	Indicators of Success	Status Update February 2015
<b>Inventory and assess needs at the building levels</b>	Technology Staff Administration Teaching Staff	Technology needs assessment	Time	Immediate	Needs Assessment Results Inventory of Current Technology	Elementary iPad Inventory conducted 12/14 A complete inventory was completed and submitted to the Assistant Superintendent. (April 2015) Ongoing inventory maintained by technology staff.
<b>Identify programmatic needs for virtual learning environments; classroom instruction and PARCC assessments</b>	Administrators, Teaching Staff	Curriculum Documents	Identification of what a virtual learning environment looks like in the elementary classroom, Time, Budget, information surrounding PARCC	Ongoing	Identification of what the virtual learning environment looks like and its integration into the curriculum  PARCC field tests and analysis of procedures	PARCC information provided via multiple methods including video presentations by Assistant Superintendent and content supervisors. Parent information nights throughout the year prior to the PARCC. Website updated regularly.
<b>Set elementary vision for digital learning</b>	Admin Teachers Parents Students	Creation of model digital classroom Professional development	1:1 devices in elementary schools professional development infrastructure	September 2014 and ongoing	Creation of model classroom Understanding of vision and mission Digital workflow Admin/teacher/staff/parent/student comfort levels in using digital flow for school learning in and out of the classroom.	Google Drive and Google Classroom training opportunities through district professional development have been offered. Professional development opportunities for teachers in the the virtual learning environment genre including flipped classroom, GAFE, and iPad's have

						<p>significantly increased for 2016-17.</p> <p>Chromebooks have been purchased for utilization at the elementary level.</p>
<p><b>Identify protocol for refreshing and protecting district digital equipment including iPad learning tools</b></p>	<p>ISTE Master Plan committee</p>	<p>Parent protection payment Lease Apple Care Plus Admin Staff</p>	<p>Support for digital learning environment Budget</p>	<p>June 2014-June 2015</p>	<p>Insurance for damaged devices Newest technology for our students Increased expansion of 1:1 digital environment Student achievement scores Professional development School goals Updates to ISTE Master Plan</p>	<p>Apple refresh at MTHS took place summer and fall 2016.</p> <p>Some Chromebooks were purchased for the elementary level.</p>
<p><b>Assess community needs for technological related services; student interns; student created products as a revenue source and providing practical / real life experiences</b></p>	<p>Administrati on Teaching Staff Community Representati ves</p>	<p>Survey Needs Assessment</p>	<p>Potential Legal issues surrounding student created products, Time, Budget</p>	<p>Ongoing</p>	<p>Results of survey/needs assessment</p>	<p>Legal and tax implications posed a problem for student products.</p> <p>Town historian collaboration with MTHS woodshop.</p>
<p><b>Assess current arts programs at building level. Identify areas/programs to expand in both fine and performing arts; i.e. instrumental, theatre,</b></p>	<p>Administrati on Teaching Staff</p>	<p>Needs Assessment</p>	<p>Budget in expanding arts programs</p>	<p>Ongoing</p>	<p>Needs Assessment Results</p>	<p>The K-12 art and music programs utilize iPads and computers with programs such as Artsonia to create digital portfolios and video technology to enhance reflection of performance based assessments.</p>

**graphics, audio and visual  
design**

--	--	--	--	--	--	--

## Goal #5 - Communications

**Goal:** To create a user friendly system that provides all stakeholders the opportunity to offer input that will help to shape the educational program and facilitates transmittal of information to all interested stakeholders.

**Objective #1:** Develop and implement opportunities to solicit input from stakeholders on educational issues that impact the community.

Major Activities	Staff	Resources	Constraints	Timelines	Indicators of Success	Status Update April, 2016
<b>Create online survey for all target groups to solicit feedback on educational programs, hot topics, and the best means to communicate effectively.</b>	Central Office/ Outside Survey Company	Survey Questions	Inadequate representation/ participation	January 2014	Participation/Feedback Compilation of responses Possible cost of survey	Parent, student, and teacher surveys were completed for Cluster Grouping Pilot. This program is now integrated into our instructional program.
<b>Create flexible focus groups that are representative of the various constituencies in our community.</b>	Central Office Building Administrators	Contact Information	Lack of representation	February 2014- Ongoing	Participation	The superintendent has been meeting with PTO/A Presidents, Senior Community groups, The League of Women Voters, student liaison and other groups. The Student Growth Advisory Committee (SGAC), which is comprised of representatives of the various constituencies in the community, has been meeting monthly.

<b>Create opportunities for interactive communication venues through the use of technology including Skype, TV hotlines, etc. for focus groups</b>	Central Office* Superintendent High School Television Production Crew	Staff Topics to be discussed	Lack of participation	March 2014-Ongoing Quarterly	Participation	Technology, such as Facebook, Twitter, Constant Contact, and websites are used for interactive communication.
<b>Develop Town Hall Meeting model for in person input for focus groups and key communicators.</b>	Central Office* Superintendent	Staff Topics to be discussed	Lack of participation	February 2014- Ongoing Quarterly	Participation	SGAC is modeled on a Town Hall concept. In addition, Town Hall meetings are planned for the Summer and Fall of 2016.

**Objective #2: Create multiple platforms that facilitate transmittal of information to all interested stakeholders.**

<b>Major Activities</b>	<b>Staff</b>	<b>Resources</b>	<b>Constraints</b>	<b>Timelines</b>	<b>Indicators of Success</b>	<b>Status Update February 2015</b>
<b>Update Alert Now system to reflect parental preferences regarding best number to contact and preferred method of communication</b>	Main Office in each school building	Genesis	Parents do not always provide updated information	September 2014 – ongoing	All parents receive important information	Done annually. Online updates are being investigated.

<p><b>School and District highlights broadcasted on a regular schedule through local cable channel of NJEA Classroom Focus</b></p>	<p>HS TV Production Staff members Building principals</p>	<p>N/A</p>	<p>Can we broadcast on additional channels other than Comcast?</p>	<p>November 2013 – ongoing</p>	<p>Broadcasted information is a reflection of the fine work and achievements of the district</p>	<p>Channel 28, and other sources, such as Falcon Flyer/Express, Facebook and Twitter, are used to broadcast school and district highlights. Each school maintains a digital format, such as e-newsletters, Twitter and Facebook, for communicating school highlights.</p>
<p><b>Explore utilizing social media such as Facebook and Twitter as a viable options for the district Create an electronic newsletter to communicate school and district news</b></p>	<p>Central Office*</p>	<p>Time</p>	<p>This will be a “no comment” page so it will only broadcast information</p>	<p>January 2014 - ongoing</p>	<p>Number of “likes” on Facebook</p>	<p><b>COMPLETED.</b> The district now has a Facebook and Twitter account. In addition, the electronic newsletter is the Falcon Flyer/Express.</p>
