Summer Camp 2017

Space Week

July 31-August 4

Environments Week

August 7-11

Rescue Week

August 14-18

9AM - 3PM

Mill Lake School

115 Monmouth Road

Monroe Township, NJ 08831

(732)251- 5336

\$275 per week

The Summer STEM Academy Camp:

- Run by certified teachers & staff
- A licensed nurse on staff
- Common Core State Standards and Next Generation Science Standards based curriculum
- Rich, hands-on learning environment
- STEM showcases each Friday afternoon for parents
- Art infusion each week to enhance creativity
- Current technology available
- Onsite Makerspace
- Students will bring their own lunch and snack each day
- If you have questions about registration or the program, please contact Dr. Dori Alvich, Assistant Superintendent of Schools, at (732)521-1500 or dori.alvich@monroe.k12.nj.us.
- Pick up is promptly at 3PM, unless registered for After Care
- After Care is available from 3-6 p.m. through Active Kids of Monroe. For more information and registration please visit their website at www.activekidsofmonroe.com or contact them at activekidsofmonroe@gmail.com.

Space Week

During space week, campers will explore the force of gravity and how astronauts prepare for and survive in space. What if you were stranded on another planet? Campers will also design and build a rocket.

Environments Week

How do engineers investigate the natural world? This week, campers will explore the lives and engineering accomplishments of plants and animals. Campers will be challenged to develop a new consumer product inspired by nature.

Rescue Week

Campers will learn how to use engineering principles to provide help and support in a natural disaster. How can rescuers deliver emergency items to disaster victims? Campers will also explore robotics.

Cost is \$275 per week
