

**Monroe Township School District
Half-Day Integrated Preschool Program
2020-2021 School Year**

The Monroe Township School District offers a half day Integrated Preschool Program for a limited number of typically developing children who will be 3 or 4 years of age by October 31, 2020. This tuition-based program is open to all eligible Monroe Township students. Each class will operate 2.5 hours per day 5 days a week while school is in session. The location(s) and session(s) for these classes will be determined in the spring. Selection for these classes will be based on a lottery system.

Each class is instructed by a certified Preschool/Special Education Teacher with the assistance of paraprofessionals in the classroom. The Integrated Preschool Program is designed to give special needs children and typically developing 3 and 4-year old children the opportunity to learn together. Children attending the 4-year old program must be potty trained. The program inspires creativity and will promote emotional, social, and language development.

In order to be eligible for participation in the 3-year old lottery, your child must be 3 years of age by September 1, 2020 and live in Monroe Township. For participation in the 4-year old lottery, your child must be 4 years of age by October 31, 2020 and live in Monroe Township. Parents will be responsible for transporting their child to and from the program. No Transportation, Before Care, or After Care is available.

To register for the lottery or to receive more information, please contact Central Registration - Cherie McCoy at (609) 642-6128 ext. 4013. Please call for an appointment.

Participation is Tuition-Based.

Central Registration is located at:
