Dear Parent / Guardian:

At this time, I cordially invite you to attend Monroe Township High School's Back-to-School Night, **Tuesday, September 17th, at 6:30 p.m.** As you follow the schedule, teachers will briefly explain the content of each course and tell you their requirements and expectations of students. The administration and staff look forward to seeing you on September 17th. We will follow both "A" and "B" day schedules. The passing time between classes are eight minutes to help you navigate the halls and enjoy getting a perspective of what our students enjoy every day. **We are asking that only parents and guardians attend this event. Included with this letter is a blank form for your child's schedule. Please have your son or daughter complete this form. Kindly bring this form with you on Tuesday evening, September 17th.**

Stop by the commons during the evening to visit the Falcon School Store or join the PTO. The Josten's representative will also be in the commons showcasing class rings and providing parents information.

If you have not registered for our parent access system, you may register for this system (Genesis Parent Access) by completing a form. This system allows you to monitor your child's progress via the M.T.H.S. website, www.monroe.k12.nj.us. **If you registered in the past at MTHS or Monroe Township Middle School you do not have to register again. Please complete a form for Parent Access at Back-to-School Night on the evening of September 17th. Please bring one form of identification with you. We will have two locations for you to register. Feel free to stop by the College & Career Counseling Office or outside our main office with your completed form and ID when you arrive.** Remember, via Parent Access you will be able to view your child's performance seven days per week, twenty-four hours per day

Based on standards of school safety as recommended by state, county and local task forces, all visitors entering MTHS must present ID when signing-out students, attending meetings, or visiting staff members. This protocol is strictly enforced.

Please remember that ***communication is paramount***. If you have any questions about any aspect of your child's education at the high school, feel free to contact the teacher concerned, a guidance counselor, or a member of the administration.

Enjoy the program on September 17th beginning at 6:30 p.m.

Sincerely,

Scott Madreperla
Acting Principal
