*RESOLUTION CONCERNING GRADUATION REQUIREMENTS

WHEREAS, the New Jersey Department of Education (“NJDOE”) has proposed new regulations regarding high school graduation requirements, which eliminate the Alternative High School Assessment and replace the mandatory High School Proficiency Assessment with the Partnership for the Assessment of Readiness for College and Careers (“PARCC”) Assessments; and

WHEREAS, the NJDOE proposal provides that students graduating in 2016 through 2019 can satisfy the graduation requirement by demonstrating proficiency in English language arts and mathematics through a means other than an end-of-course PARCC assessment, including

achieving a passing score on a substitute test, such as the SAT or ACT, or meeting the criteria of the NJDOE’s portfolio appeal process; and

WHEREAS, the NJDOE proposal provides that students graduating in the class of 2020 can demonstrate graduation proficiency through the same alternative means as those in the classes of 2016 through 2019, provided that students in the class of 2020 take all end-of-course PARCC assessments for which they are eligible as of the effective date of the regulations; and

WHEREAS, the NJDOE proposal requires that students graduating in 2021 and thereafter, who have not demonstrated proficiency on English language arts and mathematics through the end-of-course PARCC assessment by their senior year, can demonstrate graduation proficiency by meeting the criteria of the portfolio appeals process; and

WHEREAS, under the proposed regulations, for the classes of 2020 and thereafter, with exceptions for students with disabilities and English language learners, students will be required to take all of the applicable end of course PARCC exams in order to be eligible for the portfolio appeals process; and

WHEREAS, the Monroe Township Board of Education believes the state should provide alternative methods of achieving state and federal requirements for graduation; and

WHEREAS, the Board further believes that students who are unable to demonstrate achievement through the PARCC assessment should be offered reasonable alternatives, as determined by the NJDOE, to show that they have met the requirements necessary to meet graduation standards.

NOW, THEREFORE BE IT RESOLVED that the Monroe Township Board of Education hereby:

- (1) Supports alternatives to a uniform statewide test as a method of assessing whether students have met New Jersey State Standards;
- (2) Urges the NJDOE to provide multiple pathways to a high school diploma that include alternatives not based on standardized tests; and
- (3) Directs the Business Administrator/Board Secretary to send a copy of this resolution to the Commissioner of Education and all legislators representing Monroe Township.
