COMMITTEE REPORTS

Mr. Marvin Braverman, Chairperson of the Policy Committee, stated that the committee met and discussed Policy # 8505 / Local Health and Wellness Policy and copies are available for the public. Mr. Braverman added that the policy committee tried to accommodate everyone, adding that three holiday celebrations will allow food with the celebration.

Dr. Kozak advised that there is a wording change to the policy that was provided under paragraph #4 under section B. The word birthday will be inserted, therefore it read as follows: it is the intent of the Monroe Township School District that all classroom **birthday** celebrations during the school day be non-food celebrations. Dr. Kozak stated that this will take the food out of the birthday celebrations, however food will be allowed to be used for holiday parties. Dr. Kozak added that the committee encourages the use of the cafeteria food service program as the provider.

Mr. Ken Chiarella, Chairperson of the Buildings, Grounds/Transportation Committee, stated that the committee met on July 17th whereas the committee looked into a new sound system that will help the hearing impaired and members of the public having difficulty hearing. Mr. Chiarella reported that the committee received an update on the Barclay Brook Roofing & Millwork Restoration and Site Paving Project and the Mill Lake Playground Surfacing Project. Mr. Chiarella added that the committee had a discussion relating to the need for trailers/portable classrooms for the 2018/2019 school year.

Ms. Michele Arminio, Member of the Finance Committee, stated that the committee met on June 17th and discussed the following:

Lease Purchase Financing Bid Results-for Instructional Equipment & Buses contained in the 17/18 Budget; Insurance Renewals, with the exception of health benefits; Fixed Asset Appraisal, a company which appraises district equipment for accounting and recording purpose; Mr. Gorski provided an update on the June 30, 2016 Audit; and the committee discussed the revised categorical special education aid.

Mr. Gorski added that the seven-year aggressive fight for “Monroe’s fair share” has finally provided some dividend, although it is not what administration and residents feel is fair. Ms. Arminio expressed that the committee wanted to acknowledge and thank the residents, committee members and administration for their participation and attendance in this effort. Ms. Arminio stated that although the committee and Board are grateful for the additional state aid they are not satisfied with the results and hope that citizen participation continues to rise.

Ms. Kolupanowich inquired what percentage of state funding Monroe is receiving with the revised amount. Mr. Gorski responded that unfortunately that needle didn’t move very much, Monroe will now receive between 2 % and 3 %. Mr. Gorski added that the taxpayers are still contributing 87% to 88% of the requirement of revenue to support the school district.

REVISED STATE AID AWARD FOR THE 2017-2018 SCHOOL YEAR

Mr. Gorski reminded the Board and members of the public about the history of the district's state aid funding. Mr. Gorski reported that he received notice that the district will be receiving an additional \$458,098.00 in categorical special education aid. Mr. Gorski added that the finance committee discussed different options on what to do with the additional funds. The finance committee unanimously recommended to appropriate the funds against the levy to reduce taxes.

A motion was made by Mr. Riback and seconded by Mr. Rutsky to approve the following resolution:

It is recommended that members of the Monroe Township Board of Education: (1) accept the revised categorical special education state aid in the amount of \$2,434,917, an increase of \$458,098 from the previously reported state aid amount; and (2) reduce the General Fund local tax levy for the 2017-2018 school year by \$458,098, which will result in a General Fund local tax levy for the 2017-2018 school year in the total amount of \$98,013,903. It is further recommended that the Board recognize and extend its appreciation for all of the efforts of District Administration, State and Township Officials, the members of the Ad Hoc Committee for Fair Funding, the Township residents who signed the petition in support of an increase in school aid and the Township residents who traveled to Trenton to testify at the Senate and Assembly hearings. The Business Administrator/Board Secretary is hereby authorized and directed to take all necessary steps to implement this action by the Board of Education.

Mr. Chiarella stated that he agrees with the recommendation to apply the funds toward tax abatement. Additionally, he stated that as Chairperson for the Ad Hoc Committee for Fair Funding, he wanted to assure the taxpayers that the fight for fair funding is just beginning, and they will continue to fight.

Ms. Arminio stated and Mr. Gorski confirmed that there is still time to appropriate these funds to the taxpayers before the Township sends out the tax bills.

Mr. Riback added that although these additional funds are appreciated, it is not nearly enough, taxpayers are covering approximately 87% of the cost of education. Mr. Riback also stated that public schools are hurting financially due to charter schools still being approved.

Ms. Kolupanowich stated that she is grateful that the district received \$458,098.00, but the district is still five million dollars underfunded and is only receiving 3% of the school budget from the state. Ms. Kolupanowich added that other districts are claiming to be underfunded but are receiving 40 % funding. Lastly, Ms. Kolupanowich stated that the Ad Hoc Committee and Board are looking to help reduce the burden on taxpayers, therefore we need to continue the fight.

Roll Call 8-0-0-0-2. Motion carried.

BOARD PRESIDENT'S REPORT

Ms. Kolupanowich reported that the Board needs to schedule a Special Meeting/Board Retreat to set Board and District Goals, and would like to schedule it for the end of August. Ms.

Kolupanowich stated that they are also required to complete an online Board Self Evaluation and requested that all members complete it.

OTHER BOARD OF EDUCATION BUSINESS

Mr. Riback spoke about the funding for charter schools and reported that this week the Governor approved five more, and questioned if the state aid commissioner has considered the impact that these schools have are having on public schools.

Ms. Arminio stated that besides voicing the districts concerns to the state, it is also prudent that the community makes their voice known to the township council. Ms. Arminio added that the impact and abundance of student enrollment that we are experiencing has to do with the construction going on, and those decisions are being made by the council and planning board.

Mr. Chiarella announce that there will be an Ad Hoc Committee for Fair Funding Meeting on August 9th at 7:00 p.m.
