At Woodland School, Chorus, Band, and Art Tag began this month and student council representatives were elected this month. Ms. Newcomb, Guidance Counselor at Woodland, began her selection for Character Crew. The students selected will help plan fun activities to help build character in all of the students. Next, Ms. Jain reported that students and staff at Brookside School are looking forward to the MTHS Unified Fall Festival. Lastly, Ms. Jain reported that there still seems to be a lag with home instruction, but other than that students at the High School are happy to be back

COMMITTEE REPORTS

Mr. Ken Chiarella, Chairperson of the Finance Committee, reported that the committee met and received an update on the audit. Mr. Gorski indicated that he spoke with Ms. Kimberly Kelly, CPA, from the auditing firm of HFA and Ms. Kelly advised them of the status of the audit. The only component of the audit that is outstanding are figures to be released by the State of New Jersey. The committee agreed to wait for the State figures before releasing the final report because issuance of the Annual Comprehensive Financial Report (ACFR) without these figures would require a modified opinion and disclaimer that would have a negative effect on the district’s bond rating and other negative consequences.

Next, the committee reviewed a list of technology equipment to be auctioned through GovDeals.com. The committee recommended proceeding with the auction.

Mr. Chiarella further reported that normally this time of year the Board engages in developing the budget philosophy. The committee was in favor of recommending the budget philosophy board discussion to occur soon and suggested scheduling it as part of the November 1, 2021 special meeting.

Mr. Chiarella stated that lately the board of education meetings having been very long and made a motion which was seconded by Ms. Belko that the members of the Board of Education limit

the duration of the meeting this evening to 10:00 p.m., and any leftover business be placed on the November 1st meeting agenda. Ms. Siegel expressed concern regarding the meeting ending without business being completed and questioned if that would cause a problem with the timing of the bills that need to be approved for payment. Ms. Arminio stressed concern with curtailing the public during public forum. Mr. Gagliardi stated that the Board has the option to limit the length of public forum. Ms. Arminio stated that she is not in favor of limiting the public's opportunity to speak during public forum. Mr. Chiarella added that the Board hasn't been following policy and limiting each speaker to four minutes. Roll call 6-3-0-0-1. Motion carried with Ms. Arminio, Mr. Rutsky and Ms. Siegel voting no.

Mr. Peter Tufano, Chairperson of the Buildings, Grounds & Transportation Committee, stated that the committee met on October 13th and Officer Mosakowski of Monroe Township Police Department participated in a discussion regarding traffic congestion problems. Ms. Kathleen MacDonald confirmed that the High School currently has 44 buses and 10 vans assigned to the high school lot daily. All parties concurred that Covid spurred a marked increase in parents dropping-off students to avoid being on school buses. Various options for revised traffic flow patterns and potential new ingress/egress from the site were reviewed. The committee suggested a resolution be prepared for the forthcoming public meeting to direct administration to pursue a traffic engineering study that could further pursue these options. Administration was charged with exploring additional staff assignments that would be necessary if we chose to open the school earlier at 6:50 a.m. to receive and hold students in the cafeteria. This may spread-out the drop-off load and lessen some congestion. The committee also requested that we temporarily move the orange safety cones across the front entrance drive to see if this provides any relief.

Regarding Applegarth School improvements, Mr. Tufano reported that representatives of SSP Architects provided an overview of a Condition Assessment Report. Developing such a report involves thoroughly evaluating the infrastructure of Applegarth School. This would then be a tool for guiding capital improvements. The committee requested that the report include an analysis for an addition at Applegarth as well as an addition at the Middle School. A proposal from SSP is on the agenda for this evening. SSP notes that if the proposal is authorized at the meeting, that the work could be completed and a report available by mid-December. Mr. Tufano reported that a whole new demographic study will not be necessary as one was just completed in 2019. SSP stated that the district will need to get an update to the last demographer's report to incorporate the latest numbers that will be released this month.

Next, Mr. Tufano further reported that administration informed the committee that the current landscape contractor has indicated that due to financial constraints from increased labor costs, they cannot consider a contract renewal for grounds care. The committee agreed with re-bidding this annual contract. Mr. Tufano reported that the snowplow contractor has indicated a willingness to renew their contract. The committee concurs with administration and requests that we move forward with a contract renewal for this service.

Lastly, Mr. Tufano reported that the agenda item for the stadium snack shack was tabled for discussion at a future meeting due to time constraints.

Ms. Chrissy Skurbe, Chairperson of the Community Engagement & Communication Committee, reported that the committee met and Dr. Alvich shared a copy of the survey results through

Minutes of the Public Meeting of the Monroe Township Board of Education which was held at the Monroe Township High School on October 20, 2021.

October 12th. The committee asked for the survey to be resent again. Ms. Arminio was asked to follow up with the Township about sending out the survey link.

The committee reviewed the job description for an advertising facilitator, which was also discussed in personnel. The committee requested some updates therefore it was moved to next month.

Next, Ms. Skurbe reported that Dr. Alvich shared a draft of a letter for the advertisement of signs to go to community members and businesses for advertising on school fields. The letter was drafted by the board attorney. Dr. Layman shared a photo of the layout of possible spaces for signs on the stadium fences and cage field fences. The committee discussed starting with the following projects, pending review by attorney and discussion with the township about zoning restrictions:

1. Stadium Track Fence: 40 4'x8' signs at \$1000 each
2. Stadium Outside Fence: 50 4'x8' signs at \$800 each
3. Cage Field Fence: 15 3'x5' signs at \$500 each

Ms. Chrissy Skurbe, Chairperson of the Policy Committee, stated that the committee met and reviewed Policy #1648.11/ The Road Forward stating that no changes were made to the policy, but the committee discussed the travel restrictions section of the policy at length and discussed presenting a motion to present to the full board this evening.

Policy #1648.13/ School Employee Vaccination Requirement - Appendix A has been added to the policy which includes communication to staff with details of the testing procedures and information from Mirimus, Inc., the company the district is working with to implement the testing procedures. Partnering with Mirimus, Inc. means there is no cost to the district for testing.

Policy & Regulation #7432/ Eye Protection, Policy #8420/ Emergency and Crisis Situations and Policy #8421/Fire Drills and Fire were revised per policy suggestions from Strauss Esmay.

Policy #8540/ School Nutrition Programs - requires school districts to provide eligible students with a "Breakfast After the Bell" program. Districts that satisfy the requirements of the statute must implement a program in which students who do not arrive to school in time for the School Breakfast Program are offered an opportunity to be served breakfast after the beginning of the school day.

Policy #8550/ Meal Charges/Outstanding Food Service Bill – committee had a discussion but ran out of time therefore it will be moved to the November meeting.

A motion was made by Ms. Skurbe and seconded by Mr. Chiarella that the members of the Board update policy P1648.11 since the NJ Department of Health travel advisory expired on May 17, 2021 and that it is reported that Covid-19 positive cases are declining, and that Monroe Township has a very large percentage of vaccinated persons over the age of 12, that the Monroe Township School District update the policy on quarantine after traveling, whereas any unvaccinated student or staff member traveling domestically would no longer be required to quarantine upon coming back to school after such travel unless they are experiencing Covid-19

symptoms or have tested positive for Covid-19. Any unvaccinated student or staff member traveling internationally would no longer be required to quarantine upon coming back to school after such travel unless they are experiencing Covid-19 symptoms or have tested positive for Covid-19 if they are tested for Covid-19 prior to returning to the United States and provide the school nurse with proof of negative test. Vaccinated students and staff do not need quarantine or be tested prior to returning to school after domestic and international travel. The Board reserves the right to change this policy at any meeting of the Board of Education by a majority vote if such time arises when Covid-19 positive cases in our district increase exponentially.

Ms. Arminio asked Ms. Skurbe to amend her motion to include the statement “unless otherwise required by federal, state, or local authorities”. Ms. Skurbe accepted the friendly amendment. Roll call 9-0-0-0-1. Motion carried.

Ms. Kathleen Belko, Chairperson of the Curriculum Committee, reported that the committee met on October 13th and received a presentation on the Introduction to US Law; Living on Your Own; Economics and Personal Finance courses and the Summer Program. Ms. Belko reported that the Introduction to Law course will now be a full-year 5 credit course. Ms. Belko further reported that the State requirements for finance education have been incorporated into the following economics and personal finance courses: Living on Your Own, Business Education, AP Macroeconomics, and AP Microeconomics. Lastly, Ms. Belko provided an overview of the Summer Program adding that it was well received and provided interested members with handouts from the curriculum meeting.

Ms. Bierman, who attended the curriculum committee meeting as an alternate, added that the summer programs were so successful that there is potential for a source of revenue in growing the program.

Mr. Adi Nikitinsky, Chairperson of the Personnel Committee, reported that the committee met and reviewed the Vacancy List; Exit Survey; Secretary to the CSA job description; District Advertising Facilitator job description, which will be finalized next month and presented to the Board; Director of Falcon Care/ECE recommendation; MTEA Demands to Bargain; and Acting Middle School Principal and Acting Assistant Principal. Mr. Nikitinsky provided an explanation of the MTEA demand to bargain, which relates to the addition of virtual home instruction and is listed on the agenda this evening.

PUBLIC FORUM

Brian Fabiano 19 Patricia Place – stated that he doesn’t see the value in limiting the time of the meeting tonight as it confuses the message of transparency and listening to the public. Next, Mr. Fabiano inquired about the amount the district is expecting from the sale of the iPads. Lastly, Mr. Fabiano inquired where the responsibility of traffic and traffic patterns at the schools fell prior to the district having armed security guards.

Gazala Bohra 1 Miko Drive – spoke in regard to the enrollment growth in the High School, stating that it has been the only school that has had consistent growth in the last five years. Ms. Bohra added that the demographer’s report predicted such. Ms. Bohra inquired about a plan to
