Review Community Engagement

Strengths / Challenges & Vision / Initiatives

Goal Area 4: Community Engagement

Strengths	Challenges	
Students / diverse population	Community	
Strong community support/involvement	Insufficient State funding	
Highly qualified leadership	Cultural awareness	
Diversity of programs	Being able to maintain high level of success with	
	challenges	
Good people and good place	Developing resiliency in students	
Parents / Parent involvement	Communication	
Whole child; promoting well-roundedness, mindfulness	Increase parent / community involvement	
Quality programs / education	Overcrowding / unhoused students	
Anti-bullying culture environment	Funding / state aid; continue fight for fair funding	
Exposure to diverse programs for many careers	Resources	
Unified sports / programs	Township infrastructure is insufficient to handle growth of	
	housing	
Positive culture	Student growth	
Committed staff	Parent pressure	
Resources	Diverse needs	
Highly rated district	Demographics	
Service learning programs	Growth / referendum	
Diversity	Funding partnerships	
	BOE for children	
	Balancing needs of the community	
	Communication / BOE / Council / Planning / Zoning	

Goal Area 4: Community Engagement

Vision & Initiatives

Vision	Initiatives
The vision of the MTSD is to cultivate an environment in	Initiatives to Achieve the Vision
which ALL students are inspired to strive for their	Expanded programming
personal best.	- Gifted and Talented
	- Technical / Career skills
	- Full-day K
	- Arts & Music
	- Option 2
	Formal goal-setting program/reflection
	- Write own vision statement
	- Evaluate/reflect on quality of courses and own
	effort
	Character Ed
	 Integrated (infuse in lessons) / spiraling through <u>all</u> grade levels
