Math Summer Resources 2022

Below are useful, free websites to keep students engaged in mathematics throughout the summer.

Name	Grades	URL
Hooda Math	K – HS	https://www.hoodamath.com/
Math Game Time	PreK – 7	http://www.mathgametime.com/
Math Playground	1 – 6	https://www.mathplayground.com/
ixl Math	PreK – 12	https://www.ixl.com
Fun Brain	K – 8	https://www.funbrain.com
A Plus Math	K – 5	https://www.aplusmath.com
CoolMath4Kids	PreK – 5	https://www.coolmath4kids.com/
ABCya	PreK-6	https://www.abcya.com/

Some additional resources that may require subscriptions

Learn Zillion	3 – 9	https://learnzillion.com/p/
Manga High	K – HS	https://www.mangahigh.com/en-us/

- In addition, our district has purchased Study Island for students currently in grades K-8. It has many useful components to strengthen grade level concepts and prepare for the upcoming school year. The game mode is a fun way stay mathematically engaged.
 - Students can logon during the summer using Clever. Study Island will be available for use until the new school year rosters are rolled out (approximately mid-August).
- Students may use the enVisions 2.0 text and activities through Savvas Learning Company Easybridge to work on the Step Up to the next grade chapter or view Another Look videos followed by games that are at times embedded into the lessons
 - EnVisions 2.0 will be available for use until the new school year rosters are rolled out (approximately mid-August). Students can sign in using Clever.

Directions for signing into Study Island and envisions 2.0 using Clever:

- Lastly, Khan Academy provides free video tutorials and interactive exercises that are great resources for instructional guidance and extra support for mathematical concepts.
 - <https://www.khanacademy.org/>

We wish you and your family a very happy, healthy, and mathematical summer!

SUCCESS IS ALWAYS A TEAM EFFORT!!
