Dear Falcon Community,

Welcome to the first edition of our Falcon Flyer newsletter. Our goal with this newsletter is to expand our community outreach to all members of the community. In this and successive newsletters, we will share information about the wonderful and exciting teaching and learning occurring in our schools, upcoming athletic and artistic events and information important to the community. We hope that you will encourage your friends to join our mailing list by submitting their email address via our [website](#).

We have been busy this summer preparing our schools for the opening of

school on September 3rd. Our custodians, maintenance staff, transportation department and support staff have worked diligently to ensure our schools and busses will be ready for our children on opening day. Our middle school has been under construction to add classrooms and all of our other schools have been thoroughly cleaned. Administrators have secured supplies and resources for our students and staff, and our teachers are preparing their classrooms for our current and ever expanding new student population, which has increased by 293 students this summer.

As the Superintendent of Schools for the Monroe Township School District, I am interested in meeting as many members of the community as possible to listen to your thoughts and concerns, and to relay important information to you about our school district. Therefore, I will schedule upcoming meet and greet sessions at various school and community centers. Future newsletters will provide specific information about times and locations of the Meet and Greet events.

Please visit our [website](#), which includes important information, such as our [calendar](#), upcoming activities, links to each of our schools, our district vision and mission statements, and core beliefs, for more information about the Monroe Township School District.

Respectfully yours,

Michael Kozak

Summer Assignments

As a reminder all summer assignments have been posted to the district website <http://monroenj.schoolwires.com/summer>. The tasks are organized by school, incoming grade level, then subject. Thank you, and enjoy the rest of your summer!

Transportation

We would like to thank you in advance for your patience and understanding as we start a new year.

Due to increased enrollment and redistricting, there will be changes in your bus drivers, and bus routes.

Please be 10 minutes early to your morning pickup location. Buses tend to run a little behind the first days of school and will settle into a timely routine in a few days. Afternoon runs tend to run behind as well the first week or two of school.

For the next few weeks we will be overwhelmed with requests and will get back to you as soon as possible. Please be aware that most of the buses are filled to capacity and as a result we may not be able to accommodate your request at this time.

Lets give a warm welcome to our new
Superintendent..
