Key Club

KEY CLUB

The MTHS Key Club made puffy socks at our general club meeting on January 14th. The socks created will be given as gifts to residents of Parker House in Monroe on February 4th. The students there will interact with the residents and earn some valuable community service hours. The students had lots of fun putting cool designs on the socks.

AVID 11

The AVID 11 (Advancement Via Individual Determination) class has been coordinating random acts of kindness with the Make-a-Wish foundation in Monroe. AVID 11 was granted the opportunity to impact children, while doing some community service. This year the students wrote and placed positive notes in over 200 books about perseverance in hopes to put smiles on the faces of the Make-a-Wish children and give them the encouragement and live their lives to the fullest. Everyone in AVID 11 made sure to take this opportunity seriously and had the mindfulness to make sure the notes were heartfelt and uplifting. The Make-a-Wish foundation will be giving these books to children at their home visits or when they come to the castle to make their wish. AVID 11 students were excited to experience all the characteristics and aspects that help make a child's wish come true. Last year the students made coloring sheets with positive notes of encouragement for the kids. A special thank you to Karen Zurawiecki at the Make-a-Wish foundation in Monroe for making this opportunity possible. The AVID 11 students were happy to give back to the community.
