Assistant Principal**

Dear Brookside Parents/Guardians,

I hope you are having a great summer! I am honored and fortunate to become the principal at Brookside Elementary School. I truly look forward to working with the entire Brookside community in this new role. For the majority of last year, I served as acting principal at the Monroe Township Middle School. Prior to that position, I held school leadership positions at the elementary and middle school levels in Monroe and in the New Brunswick School District. I am excited to bring my 21 years of experience to the wonderful students and families at Brookside!

A focus of mine over my entire career has been to create a strong partnership between home and school. Collaboration has always been at the forefront of my belief that we are most successful when we work as a team. This partnership is key to supporting your children and helping them grow and achieve academically, socially, and emotionally in a safe and positive learning environment. I am deeply committed to doing what is best for each and every student, therefore, I will always value your time, support, and input.

I can't wait to get to know all the students at Brookside and communicate with you throughout the upcoming year. In August, we will begin sending out information for the 2022-2023 school year, such as important notifications and permission letters. If there is anything that I can ever help with, please feel free to reach out to me. Enjoy the rest of your summer!

Warm regards,

Scott Sidler
