Dear Staff and Parents:

Attached is the nomination form for the ESS (Educational Support Staff) of the Year. It is the time of year when we recognize our hard-working, committed staff members here at Brookside School. We encourage all parents and community members to take the time to nominate a staff member to receive this honor if you feel so inclined.

Attached are the nomination form, which includes the criteria for the award and the recipient list for the last five years. Please complete the nomination form and return it to the main office in a sealed envelope no later than January 30, 2019. We ask that you nominate only one staff member.

This information will also be available on the website for Brookside School if you need an additional form. We will also send this information in an e-mail blast to all parents.

If you have any questions, please contact the Brookside main office at 732-521-1101 menu option 5.

Respectfully,

Mr. Antonio Pepe
Principal
