

Hi Barclay Brook Brookside PTA Families,

The World famous Harlem Wizards are joining us to help raise money and have a blast with their new WizFit Challenge virtual fundraiser and kids experience! We're only 1 week away from our big kick-off on 2/8/2021! Starting this week students will watch and participate in an exclusive series of 6 interactive video episodes led by Harlem Wizard stars Swoop and Broadway, plus a special grand finale video to practice what they've learned. They will get fit, learn tricks, have fun, and be coached on character by the Wizards. The Wizards are then going to host a live virtual meet and greet with our students on the last day.

The Wizards are providing a great web platform that will enable you to quickly set up a unique web page for your child that you will then share using convenient email and social media share tools with friends and family asking for support. The web page will include your child's picture(s), a short description of the WizFit Challenge and what the school is raising money for. Click **on the following link** to watch a short 90 second video with more details: <https://vimeo.com/465116305>

With this fundraiser, 50% of the funds will be given back to the Barclay Brook Brookside PTA. If we raise \$25,000, that is \$12,500 that we can give back to our schools to support our students.

We're excited to see our school come together for such a great program and cause.

Thank you Barclay Brook Brookside PTA families!
