A message from MONROE TWP

Dear Monroe Community,

We were notified today that 2 students at the HS and 1 student at Oak Tree School tested positive for COVID-19. All students are full remote students and have not been in the buildings. Therefore, no contacts were identified.

Our system will only work if we are committed to continuing safe practices. This means wear a mask, wash and sanitize your hands frequently, maintain social distancing when possible, monitor your own and your family’s health, if your child is in the Hybrid Learning Model DO NOT send them to school, in person, if anyone in the family unit is ill or symptomatic of COVID or the flu, and of course, rapid self-reporting so we can initiate immediate contact tracing and quarantining.

Please stay safe and have a wonderful weekend.

Thank you.
